LR 312, 313

request unanimous consent that we withdraw the amendment at this time.

PRESIDENT: You said you wanted to withdraw the amendment at this time?

SENATOR CONWAY: Yes, sir.

PRESIDENT: All right. It is withdrawn.

CLERK: Mr. President, the next amendment I have is by Senators Schellpeper, Goodrich and Ashford.

PRESIDENT: Senator Schellpeper, are you going to handle that?

SENATOR SCHELLPEPER: Thank you, Mr. President and members. I have some handouts. This is a very easy amendment to understand. What we are doing, excuse me, we are simply taking the massage therapists and saying that they can use the name massage therapy. This was bill number 1025 that was passed by the Health Committee. We are not attempting to expand the scope of practice. The argument here is whether the massage industry can use the name therapist. There are well trained individuals that must have 1,000 clock hours of education in order to be licensed. We are not asking for any additional services, only to continue what they are now doing and to continue to use the name massage therapist. If there are any questions, I would be glad to answer them.

PRESIDENT: Thank you. Senator Vard Johnson, did you wish to speak about this? All right. Senator Wesely, please. We have a motion on the desk, Mr. Clerk?

CLERK: Mr. President, yes, but if I might before I go to that...hearing notice from the Revenue Committee, and I have amendments to be printed...or, I'm sorry, resolutions 312 by Senators Ashford, Hannibal and Goodrich. (Read.) And a resolution by Senator Carson Rogers. (Read LR 313.) Mr. President, Senator Wesely has a priority motion and that is to adjourn until tomorrow morning at nine o'clock. (See pages 1246-48 of the Journal.)

PRESIDENT: You've heard the motion to adjourn until tomorrow morning at nine o'clock. All those in favor say aye. Opposed
